# EastWest's Play Libraries Are Now Fully NKS Compatible

EastWest's award-winning collection of virtual instruments are now fully compatible with NKS, including the ability to browse instruments, preview sounds, and immediately access pre-mapped instrument parameters all within Native Instruments' Complete Kontrol and Maschine hardware and software. Follow the steps below to make all installed Play Libraries NKS-ready.

## Step 1: Download the NKS Support Installer

To visit the Software & Product Updates page of the EastWest Support Center, please click this link: <http://www.soundsonline.com/Support?section=updates>

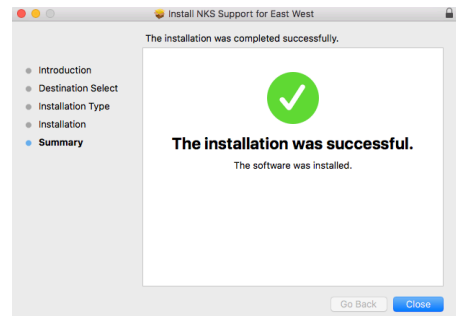

Scroll down to find the 'EastWest NKS Support' section, then click on either the Mac or Windows icons to download the installer per your operating system. The download size is approximately 790 mb.

## Step 2: Run the NKS Support Installer

Once the NKS Support installer has downloaded, close all programs, then double-click on the installer to launch it and proceed through the prompts to complete the installation.

**Please note!** The NKS Support installer can be run anytime after installing additional EastWest Play Libraries to make them NKS-Ready.

## Step 3: Launch Native Instruments Software to Update Libraries

Now launch either the Complete Kontrol or Maschine software to begin the 'Updating Library' scan of all installed Play Libraries, making them NKS-ready for use with Native Instruments Complete Kontrol and Maschine software and hardware.
